

WHY THE MO?

The museum sits on the footprint of a house long gone; that house was named **Mo** after a girl called Morag. It is still affectionately known as that by Sheringham locals to this day.

There is level access to all galleries and the Windscape Visitor Centre via a lift and ramps but a spiral staircase to the panoramic tower.

We don't have a cafe, so our tickets are all-day tickets - you can drop in and out to one of the many great cafes in the town whenever you wish.
